Click "No activation code? Register online now" at bottom of screen. Click "ok" on the "register online for MyLGHealth" screen.

Enter your demographic information. Click "Continue".

Answer the following questions and click "Continue".
After Enrollment you can check “Please do not show this page next time”. The page is available when you are in your account. To access your MyLGHealth account, enter your MyLGHealth username and password at MyLGHealth.org.

**Step 5**

Create a MyLGHealth Username. Think of one that is secure and easy to remember consisting of six (6) or more characters. Create a password consisting of eight (8) or more characters. Your password must be different than your MyLGHealth Username. Security tip: use a combination of numbers and letters in your password. Also mix upper and lower case letters. If you forget your password, MyLGHealth will present you with your selected security question and ask you for your secret answer. Make sure your answer is meaningful, but not easy for others to guess.

**Step 6**

Enter the e-mail address where you would like MyLGHealth to contact you and to receive notifications. Enter your mobile phone number to receive a text message from MyLGHealth about new information in your MyLGHealth account. Click “Sign In”.

**Step 7**

Read the MyLGHealth Terms and Conditions. Click “Accept”.

You’re now enrolled in MyLGHealth!
